

# Wirral & District Amateur Radio Club

Directions to Irby Cricket Club, Mill Hill Road, Irby.

## FROM LIVERPOOL – USING THE NEW WALLASEY TUNNEL.

Leave the Tunnel exit toll booths and **join the M53 mid-Wirral motorway.**

Note speed limit of 40 mph rising to 50 mph over the Bidston Moss fly-over. On leaving the fly-over the motorway speed de-restriction signs appear. Prepare to leave the motorway at the next exit, so **follow the two left hand lanes (which is Junction 2)** for Upton, Hoylake & Greasby. This two lane spur then takes a sharp right hand turn over the M53 motorway and continues for about 1 mile. **Stay on to the end of the spur which terminates in a roundabout.**

**Cross over the roundabout onto the A5027 sign posted Birkenhead.** The road bends round to your left where in about a 100 yards there are traffic and pedestrian lights. Continue on through all these lights staying on the same road till you reach a roundabout in about 1 mile.

**Take a right turn at this roundabout** (marked Greasby, Frankby, West Kirby) onto the B5139 Greasby Road passing the Premier Lodge and Twelfth Man Public House on your left. Continue, and you pass a small group of shops on your right (and through a Zebra Lights Crossing). After the BP garage on your right, you want the second road on your left. The first is Circular Drive and the second is **Greasby Road.**

**Turn left into Greasby Road** which is only 100 yards long, but it takes you through to a T junction with Arrowe Road where you **turn right** (opposite the Cabbage Patch shop). A small group of shops will be on your left and you continue for 200 yds. As the road goes into an S bend by the Manor Restaurant on your right, prepare to **turn left into Mill Lane** just past the “Puck Racing” betting shop.

Follow Mill Lane slowly climbing for just over a mile until you reach a roundabout with the Irby Mill public house on your right. **Over this small roundabout** takes you into Mill Hill Road. After climbing for about 100 yards you will see a lay-by on your left. (which is easy to miss in the dark).

**Turn into this lay-by** and immediately on your left is the gate entrance to the Irby Cricket Club.

**Turn in, and drive down to and pass the Club house turning right and park in the car park by the mobile phone mast.**
